DOWNGRADE TO SECRET

[REDACTED]

CFE/SS 23 May 1972

t

TO: Commanding General

25X1A6a

[REDACTED]

San Francisco, California

1. The purpose of this letter is to augment the authority and procedures contained in letter AGAO-S 400 (13 Mar 51) G4-M, dated 21 Mar 51, (Short Title: DA-LA-51).

2. Authority is hereby granted to increase, quantitatively, requisitioning objectives to accommodate the additional supply demands placed upon your Command by the Composite Service Unit No. 1, within the limitations established below:

a. Twelve hundred rations per day.

b. Gasoline, 500,000 gallons per year; oil, 12,000 gallons per year; grease, lubricating, 23,000 pounds per year; grease, miscellaneous, 11,000 pounds per year.

c. Administrative support; i.e., stationery and office supplies, sufficient for a Headquarters consisting of 160 clerical personnel.

d. Additional stocks in the Quartermaster Clothing Sales Outlet sufficient to accommodate 160 individuals.

e. Janitorial, insecticide, and rodenticide supplies as required to support the facilities listed on Inclosure 1 hereto, and based upon the strength of 1,200 individuals (see Message DA 914764 dated 30 Jul 52 regarding this subject).

G4/D5-

SUBJECT: Logistic Support to the Central Intelligence Agency Activities
25X1A6a [REDACTED]

f. Spare Parts and Maintenance supplies to accommodate vehicles, office machines, and housekeeping equipment as reported to you by the Commanding Officer, Composite Service Unit No. 1.

2. Attached as Inclosure 2 are the planned projected requirements for the second phase construction in your Command, which is furnished for your information only.

3. Studies are being conducted by the Central Intelligence Agency to determine additional ration and POL requirements for the support of indigenous forces by Composite Service Unit No. 1. Results of these studies will be forwarded to your Headquarters upon receipt by Department of the Army.

4. These requirements are based on current and planned operations by CIA, and are subject to change, both in magnitude and direction occasioned by shifts in CIA and United States policy. In the event of significant change, your Headquarters will be so notified.

5. A copy of this letter is being forwarded to the Chief, Overseas Supply Division, San Francisco Port of Embarkation, as an inclosure to a letter directing that he take cognizance of the authority contained in paragraph 2 herein.
